**M**AINE is to thousands and thousands of out-of-state people, an ideal summer home—the place to which city folks escape if they possibly can, finding in its health-giving climate, its invigorating air, and its homely hospitality, recreation that is re-creation for the rest of the year.

For over 30 years HIGGINS INN, once a pleasant homestead—now enlarged and transformed—has been providing an opportunity for those who were seeking such a vacation at a modest price. Only 250 yards from its doors the Atlantic Ocean rolls in over the smooth sands of Higgins Beach, one of the finest bathing beaches in the section, surrounded by a residential area unspoiled and uncommercialized.

Here the summer visitor can really relax. He can lead whatever life he chooses, for there is ample opportunity for quiet pleasures — swimming, sunbathing, reading, a game of cards with friends, or his favorite T-V program. If more vigorous fun is desired, there are convenient golf courses, trips to Portland, local drives to beautiful coastal areas or inland lakes, or dancing on the pier at Old Orchard. Playhouses at Ogunquit and Kennebunkport are within driving distance, while Scarborough Downs, Beech Ridge Speedway, and the Portland Drive-In are but minutes away.

HIGGINS BEACH

Regardless of surroundings, no vacation spot is adequate unless it can provide food to satisfy the most discriminating taste, and beds comfortable enough to promote restful sleep. These it is our pleasure to supply, to the end that again and again the seeker for a summer home will think first of HIGGINS INN.

HOW TO REACH US . . . . There is excellent train service from Boston via Boston & Maine Railway, or from Canada via C.N.R. or C.P.R. to Portland. If you wish to fly, our Portland Airport is only 7 miles distant, and our car will meet guests at either place by appointment.

If you are travelling by car on Route 1 from Boston, turn right at Oak Hill on Route 207, then 3 miles; turn left on Route 77, and the next right brings you to Higgins Beach.
