## VACATION TIME

Vacation time is almost here and if there is one time of year that is dear to the heart of every school boy, it is summer vacation time. It is a good time--so make the best of it.

Summer is a time when you can continue the education of the school year--Learn well the lessons of the vacation season.

First, study the lessons of the great out of doors--You have learned that there are "sermons in stones, tongues in trees, and books in running brooks." Find out about nature and life on those picnic and camping trips. The highway, the hill, the lake and the meadow will all have a valuable story for you.

That summer job will pay you some much needed cash, but if you are alert and wide awake, it will pay you more for the future. That job, if you are wise, will be part of your training for the future. You may learn how to work for others and give value received for your wages. It will show you just how much effort is needed to provide those extras which all of you want. Make the most of your summer vacation. It is important to you.

\*\*\*\*\*REDSKINS SHOW HEELS TO KENNEBUNK AND SANFORD\*\*\*\*\*

\*\*\*\*\*

On Wednesday afternoon, May 27, the Indians traveled by car to Kennebunk, where they engaged Kennebunk High and Sanford High in a three cornered track meet.

The good fortune whcih has been following the boys this year continued to remain with them, and they came out on top by scoring 50 points. Sanford High managed to tally 24½ points, and Kennebunk trailed with 15½ points.

Albie Harmon was outstanding for the Redmen with 15 points. He took firsts in the 100 yard dash, the 220, and the broad-jump. Maxey won the 440. Stu Hartford tied for first in the mile and took third in the half-mile. Gelinas won the javalin throw. Other men to win points for Scarborough were Mallory, Kimball, Cook, Lilley, Morse, and Sawyer.

Good going boys!

NOTES OF INTEREST

\*\*\*\*\*

They say the seniors are looking forward to the dance which the juniors are going to put on for them before the close of school.

What has happened to the plans for the school picnic????

The seniors are busily engaged under the direction of Lynwood Dyer in preparing for their graduation exercises which will be held on June 8.

They say the under classes are very envious of those lucky seniors!!

The juniors are planning a class meeting on Friday to decide whether they will have a class picnic.

The sophomores are also having a class meeting on the same date to decide on class rings.

The freshman boys, under Mr. Snipe, will enjoy themselves very much while picking up the yard and beautifying the grounds. But that won't take long. They will also enjoy a softball game before the period is over.

On this same day, Friday, May 29, the freshman girls will do housework around the school building with Mrs. MdMackin in charge.

It looks good to see the ground broken for our new high school. We hope that work will go along rapidly and that nothing will interfere with its completion. It looks as though the present sophomore class will be the first graduating class from this new building.

### BASEBALL

\*\*\*\*\*

Baseball started out this year with the election of Roland Melcher and Dave Perason as co-captains of the team

This year's team started out lacking in experience and had some tough luck at the first of the season. But in the last few games, they have shown much improvement. They have won three games and lost six games thus far this year. However, they have tried hard in every game.

The teams consists of the following men: Mac McLellan, catching; Dave Pearson, pitching; Luke Merry at first; Ronnie Clark at second; Dave Thurlow at third; Roland Melcher at short stop; Brother Gaspar in left field; George Pooler in center field, and Joe Donahue in right field. The subs are: Greg Hallett, Ken Durgin, Bruce Thurlow, Dick Rice, and Howard Mehlman.

## JUNIOR WASHINGTON TRIP

Off we went on that notable day of April 24 to see the world, a group of happy Juniors; Ann Bennett, Harriett Mc Laughlin, Patty Lysaght, Patty Briggs and of course some boys, Clarence Belleveau, Dewey Thompson, Steve Libby and Mr. Wong (Bob Foley to you). Accompanied by Miss Ferguson and Mrs. Libbey, we took a nice box supper, but ate it down by Wells; also two more lunches, including a totem pole, and finally supper. What's the use of seeing Washington on an empty stomach! Miss Ferguson, Mr. and Mrs. Libbey were on a diet so we had to make up for them. We breezed down to Hartford, rose next A.M. at an unearthly hour and rolled into Washington at 3:50 Saturday, April 25 in a temperature of 88. Then began the strenuous life! Miss Ferguson and Mrs. Libbey got us up and got us in doors, but too many pressing matters kept us from retiring pronto. We saw everything: The capital, Rep. Hale and Sen. Smith, the Supreme Court, Bureau of Printing and Engraving, the Archives, Library, Aquarium, Smithsonian, National History Museum, Mt. Vernon, the huge Union Station, the Senate fountain, had a ride on the subway from the Senate Office Building to the Capital, ate in the Senate Office Building in invitation of Sen. Smith, caught fish at Haines Point, went to Mt. Vernon, Annapolis for three hours, to Gettysburg and Valley Forge and everywhere else. We cooked our supper and breakfast at Gettysburg and went off luxuriously into the land of nod on Latex Matresses.

On the trip we learned the inexhaustible energy of some of the boys and the nocturnal prowlings of the girls, the driving skill and good nature of Wong, how many steps there are up the Washington monument, how good-looking the Annapolis cadets, how dignified the guards at Arlington, How beautiful the whole countryside and how kind all the people.

We arrived home two-thirds asleep and exhausted having covered sixteen-hundred miles. We haven't fully recovered yet and we hope we shall never recover from our memories.

P. S.

ANOTHER LITTLE MATTER, WE SAW IKE AND MAMIE!!!!!!!!!!

\*\*\*\*\*

Mr Schaare says that although the baseball squad did not win any laurels this year, they did, on occasions prove to have what it takes to make a good team.

In addition to this, he states that he believes that in another year or two, Scarborough will become a real contender again.

Let's hope that our coach is right in his prediction. Better still, let's all get behind our coach and our team and let them know that win, lose or draw, we will never let them down.

The final scores were as follows:

Scarborough 37  
Cape Elizabeth 35  
Cheverus 29

Albie Harmon was high point man with firsts in the 100 yd. dash, 220 yd. dash and the broad jump.

Capt. Kimball was outstanding in the weight events and Bill Gelinas came through with a win with the Javelin.

New-comers who will bear watching in the future are Bill Cook, Bill Morse, Don Mallory, Phil Libby and Art La Rochelle.

\*\*\*\*\*

SCARBOROUGH TRACKMEN MAKE IT FIVE IN A ROW OVER FOES!

Scarborough's flyers continued their winning streak in the annual spring Triple-C track meet by defeating Cape Elizabeth, North Yarmouth Academy and Freeport.

A beautiful trophy was presented to Capt. Kimball to add to the many already filling the trophy cabinet in our high school.

Once again Albie Harmon ran in rare style to gather in firsts in the 100 yd. dash and the 220. He also picked up a point in the broad jump.

Capt. Kimball was high point man with firsts in the shot put the discuss and a third in the javelin. Dave Maxcy did a good job in his specialty, the 440 yd. run. It was a close race but he had to be satisfied with second place with three points to help boost Scarborough's total. Bill Morse tied for first in the pole vault. This boy is going to be a good jumper. Bill Cook is another boy to watch! He picked up points in the high jump and the javelin and took first in the broad jump. He is a coming STAR. Stu Hartford ran the best races of his career here at Scarborough. He scored in the mile and half mile runs.

The scores were as follows:

Scarborough 54 5/6 Cape Elizabeth 40 North Yarmouth. Freeport 6  
1/3 Academy 29 1/3

The entire team is to be congratulated on a very excellent performance!

## SCARBOROUGH TRACKMEN LOOKING FORWARD TO STATE MEET AT COLBY!

The State track meet is being held on Saturday, June 6, at Colby College.

It will be remembered that our boys took in this meet last year and made a good account of themselves. They took fifth place in a field of eleven schools.

The State records show that Scarborough won the meet in 1946 and 1947.

The State records also show that the record for the half mile is still held by a former Scarborough High Student--Pearly--who set the time of 2 min. 3.9 sec. Some flying and from this corner, it looks as though that record will stand for some time to come.

With track stars now coming from the underclassmen, it seems likely that Scarborough will produce another state-winning team in the not too distant future.

The boys will leave in cars for Waterville at 6:45 A. M. The last event is held at 4:20 P. M. which means that the boys will arrive home in the early evening.

Those who will make the trip are: Kimball, Harmon, Lilley, Maxcy, Mallory, Cook, Roy, the Hartford boys, Sawyer, P. Libby, LaRocheille, Morse, Gelinias.

### DO READ THIS

Once again your support is needed in the way of backing our baseball boys. Baseball started before vacation, but the cheering squad hasn't increased. You all know that the boys need a lot of support to do a "real" good job. Even if you can't go to the away games, you can surely stay to the ones that are played here.

A few years ago, there was a lot more school spirit. What's happened to it? Did it go with our ex-S.H.S.ers?

It has also been noted that not many teachers have been around. They should set a good example for their pupils.

Along with baseball there's track. These teams need your support, so let's get out and cheer.

## UNCLE SAM'S CORNER

Pfc. Arthur Blackington has been on furlough for 10 days. On return he will be stationed at Paris Island where he has been made rifle instructor for three years. (We hear cupid was on furlough with Artie too! Congratulations Kids!!!!!!)

.....

John McKeen is stationed with the U.S.M.C. at Paris Island, South Carolina. (We heard that inspection is pretty tough down there!)

Pfc. George Doody has been on furlough for 10 days. On return he'll be stationed at Paris Island. While home he visited his Alma Mater and told us what strict teachers and classes were really like, (and we think we have it tough--at least the teachers say "please" the first time).

Pfc. Robert McLaughlin is stationed in Mississippi and will be home some time in September.

Donald Larson was ween at the "Cabin" a couple of weeks ago in his "Blues". His destination was unknown--Sounds just like Don doesn't it?

Ronny Clarke and Roger Danella have returned from two weeks training at Baimbridge, Md. with the Navy Reserves. The "Keds" said everything was o.k. but they sure practised "Early to bed, Early to rise"--what about the rest of it fellars?

(makes a man, healthy, wealthy and wise.)

Scarboro High is proud of it's men in the Reserves. They are:

1. Joe Donahue
2. Ted Sawyer
3. Howie Gray
4. Ronny Clarke
5. Roger Danella
6. Stu Hartford
7. Royce Kimball

They may be inactive but they're sure doing their part. (Have you noticed the muscles?

Howard Carbeau is stationed in Germany with the U.S.A.

## REPORT ON AMERICAN HISTORY CLASS 11B

Tuesday, May 12 was a busy day for members of the 11B American History class. They were seen early and late bringing note-books and models which they had prepared in regard to their individual projects upon which they had been working for several weeks.

The exhibits were displayed in Room 5 where members of other classes could see them throughout the day.

During the class period each pupil gave a talk and demonstration about his own subject.

Some of the girls had worked on an American cooking project and at 6:00 P.M. served a supper which they had prepared. Mr. and Mrs. Maxcy were guests and Mrs. McMackin and Miss Gordon acted as supervisors.

After the supper the movies, Safari on Wheels and The Telephone Hour were enjoyed by all.

### AMBITIOUS SQUAWS

Under the versatile leadership of Miss D. M. Adams in Phys. Ed. classes, our girls have been learning badminton, tennis, archery, golf, and have also been playing soccer and softball.

The organization of a softball team failed and Miss Adams decided that this year the girls should play intramural games to get the needed practice. She hopes to have an excellent team next year as she has some wonderful prospects.

The intramural basketball play offs were won by Pat Lysaght's team. Each participant donated toward buying gold basketballs for the winners.

P.S. The gold basketballs are very beautiful.

### JOKES

Carroll: Is your dog's bark worse than his bite?

Dick Rice: Oh, yes!

Carroll: Then watch out! He just bit me!

Overheard in locker room when baseball uniforms were being given out:

Bruce: Coach, my hat's a little too big.

Coach: Well, see that it stays that way!

Mrs. McMackin: This salad tastes awful! Are you sure you washed the lettuce?

Mary Turner: Yes! I even put soap on it!!

## SCARBOROUGH HIGH GOES TO VENICE!

and On Tuesday Evening 40 some students accompanied by Miss Ferguson and Mrs. Lary hopped aboard a chartered bus and were off to see "The Merchant Of Venice" presented by the Robinson Players of Bates College. A little after 7 o'clock the bus pulls up in front of the Little Theater on Bates Campus, and our eager group alighted and was ushered in. At 7:30 the curtain promptly went up and we settled back in our seats to enjoy the productions.

On the stage Shakespeare came alive and was enjoyed even by the boys. Elaborate costuming added a great deal of zest to the "Merchant", as did the stage settings. The brilliant acting of Portia, Shylock, Antonio, and Bassanio, among a few, was something that can't be retold on paper.

As the plot thickened each scene became more enhanced, until the climax, the "Trial Scene" was reached, with everybody sitting on the edge of his seat. Portia's "Mercy" speech was stirring and Shylock's sharpening of the knife, with which to cut a pound of Antonio's flesh, was the highlight of the scene.

The play ended with an amusing scene involving the rings of Bassanio and Graciano which their wives, (disguised as lawyer and clerk at the trial) so trickily won away from them. Of course, when the boys arrived home from Venice minus two rings, they sweat many buckets of gumdrops trying to explain before the little women let the cat out of the bag.

Before starting home our merry group stopped at the Lion's Den on the campus where they practically bought it out.

The performance was a big success they decided as they returned home from Venice.

### MORE JOKES

Brother: Why do girls rest their chins on their hands when they are thinking?

Dick: That's the only way they can keep their mouths shut.

"Sorry, old man, that my hen scratched up your garden."

"That's all right. My dog just ate your hen."

"Fine! I just ran over your dog!"

Mr. Southworth: Are you fond of Algebra, Dick?

Dick: Certainly! I'm stuck on every problem.

Miss Ferguson: Jimmy, where is the Red Sea located?

Jim: Er---after Geography on my report card.

Mr. Schaare: Why didn't you answer me?

Mary Turner: I did. I shook my head!

Mr. Schaare: Well, you didn't expect me to hear it rattle up here did you?

## ONE ACT PLAYS

On March 20, the Dramatic Club sponsored the Junior and Senior One Act Plays. The portrayal of the plays was received very well by the public, but the cast was not wholly supported by the students.

The first play presented was "The Neighbors" directed by Miss Ferguson. This was a delightful, heartwarming comedy about a friendless boy who fell into the hands of the neighbors and the trouble his expected arrival caused. The cast of characters included: Barbara Wentworth, Carol Oliver, David Maxcy, Eben Lilley, Pat Lysaght, Shirley Furbush, Ann Merry, and Madeline Sinclair.

The "Ugly Duckling" directed by Mr. Snipe, was about a frustrated king who spent all his time trying to get his daughter married into wealth and society. The cast was: Phillips Mallory, Sandra Deery, Jocelyn Lary, Clarence Belleveau, Howard Gray, Jay Thompson, Doris White substituted for Deneysel Doodly in the role of the Queen. For all that saw this superb performance will agree that Doris showed herself to be a great actress as well as a great prompter for learning those lines so quickly! Don't you agree??

And last but not least was the stirring mystery "Murder No Object" directed by Mrs. Lary. The suspense increased until the end when it came to an unexpected climax. The cast of characters included: Harriet McLaughlin, Pat Briggs, Margaret Wright, Marjorie Googins, Sheila Swinburne, Robert Foley, and June Malloch, Nettie Noble

Of course we can't forget the prompters who did a marvelous job of prompting. They include Nancy Simpson, Janice Meserve, Carol Libby, and Robert Foley.

Many thanks to Miss Ferguson, Mrs. Lary, and Mr. Snipe for their time and effort given to the plays to make them successful.

## MAY DANCE

\*\*\*\*\*

On Friday, May 22, the Freshmen held their first dance. From a list of eight candidates the student body elected Patty Proctor as the May Queen. Her attendants were Sandra Deery, June Malloch, Margaret Wright, Debby Swasey, Jane Lysaght, Ann Danella, and Joanne Dolloff.

Mr. Maxcy presented Pat with a bouquet of roses, carnations, baby's breath, and snap-dragons, and crowned her with a beautiful apple blossom crown. A photographer from the Press Herald took her picture and it appeared in Saturday morning's paper. After this was done, Pat and Wayne led the grand march.

The Westonions supplied music to suit everyone's taste.

## OUR LITTLE ONES

On Friday, May 8, the Freshmen and Sophomores proved that not all of the talent is in the upper half of Scarborough High.

A Happy Ending, coached by the Misses Ferguson and Gordon, turned Elwood Willey into a Russian conductor, who captured the heart of the marriage broker, Carol Libby.

Judy Brown, Peggy Clark, Dianne Ridlon, Connie Mills, Carol Mallet and Norma Leavitt made charming man-chasers, with Shirley Sewell as the maid.

In Mrs. Lary's The Platitudious Pose, Richard Foley announced. Jean Allison, the girl who played a trick on the boy she loved, was expertly played by Carole Emmons, Barbara, her charming, if trouble-making little sister, was guess who!--Janie Lysaght. Mrs. Allison, Jean's interfering mother was played by Sandra Foster. Jim Hartwell, the Westerner Jean liked, was Harry Collins and his mother was Peggy D'Amico. Mary Turner was Jean's girl friend. Other friends were Muriel Googins, Debby Swasey, John Pooler, and Pete Bennett. Luther Merry was Jim's Western friend whose brains had been transformed to you know where!

Last but not least came Mr. Snipe's Her Fatal Beauty. Milly Blossom, the shopgirl in love with wealthy Noble Humdinger (Phillip Libby), was played by Elaine Tolman. Fay Farrington was the store manager with Connie Small as his secretary. The glove saleslady was Donna Grant who exposed the plot if Greg Hallett, a most convincing villain. Mrs. Humdinger, Noble's aristocratic mother was Carol Libby and Victoria, a socialite also in love with Noble was played by Anita Ricker.

The wonderful casts and coaches, plus the expert prompting by Anne Fogg, Barbara Gill and Ellen Whipple proved that the play had to be wonderful!

## THE SPRING CONCERT

The Spring Concert presented by S.H.S. under the direction of Mrs. Lyon was held at the Town Hall on March 27, for the purpose of raising money to send a group to the Music Festival in Brookline, Mass.

Several musical groups participated: Nonettes, Choir, and Glee Clubs. Violin, Saxophone, Trumpet, Vocal solos were featured. Folk Dancing numbers added variety to the program.

The highlight of the evening was the unexpected appearance of Phillips Mallory, who played his own piano composition and was enthusiastically encored.

## LAGOON FOR PROM

Friday, May 15, 1953 brought forth a busy day for our Juniors. The decoration committee were a bunch of busy little bees as well as Rae Jones our refreshment chairman. Mr. Southworth lent a helping hand. All who attended the dance had a wonderful time and we hear Mrs. Libby got quite a kick watching the two newest dancers in the Junior Class, (Bob and Bud). Mr. Snipe sparked the evening by giving a few selections at the piano.

Mr. and Mrs. Maxcy, Mr. and Mrs. Libby, Mr. and Mrs. Lary, Mr. and Mrs. Snipe, Mr. Libby, and Mr. and Mrs. Southworth were seen in the chaperon corner.

## ATOMIC TALK

The physics class, under the supervision of Mr. Southworth, had the opportunity to see the first atomic blast ever to be filmed on television. They all went to the home of John Chick to watch the man made spectacle.

There were two houses at the scene of the blast. The nearest house, which was approximately  $3/4$  of a mile away, was destroyed in  $1\frac{1}{2}$  minutes. The other house, which was  $1\frac{1}{4}$  miles away, was hardly damaged by the blast.

Two thousand soldiers were entrenched 2 miles away. They reported no cuts, burns, or wounds. If there had been anyone in the second house, they would have died from radiation burns.

The blast gives off radio active dust particles which cause severe burns. These particles hit the first and second house almost instantaneously. The blast also causes a shock wave which is slower than the radiation.

It has been said that the atomic bomb can destroy the earth. Many tests are being made to put atomic power to domesticated uses and new discoveries are being made every day.

## A FOND "ADIEU"

Now that there are only a few weeks of school left, the old halls of Scarborough High are beginning to echo with "So Long, It's Been Good to Know Ya'". Yes, our seniors are leaving us after four pleasant years. Their happy-go-lucky dispositions have kept the halls of S. H. S. full of sunlight on rainy days. Their love affairs have kept the gossip columns of the Star well filled.

We certainly will miss six tall and handsome men during basketball season, four in baseball and four in track. The Dramatic Club is taking a big loss, to say nothing of band, choir, our language clubs, and girls' basketball. We feel that we are losing one of the best Senior Classes ever. So we wish all the Seniors the best of luck in everything they undertake in all their lives!

## UM-M-M BUNS FOR BREAKFAST

Miss Gordan gave the early risers of her 7:00 A.M. French Class a pleasant surprise-- breakfast "a la" Home Ec. Room. Of course, no meal is complete without a sparkling topic of discussion, so they chose their trip to Washington. Walter and Jo told in French, the exciting things they had done but Sheila was so late, we wonder who was there when she told about hers. Maybe that's why she was late?!

ABOUT THE STUDENTS WHO HAVE WORKED TO  
PRODUCE YOUR SCHOOL PAPER.....

Ellen Whipple has been editor for the last three issues. It has not been an easy task. Let's give her a big hand for doing a splendid job.

Our senior commercial students have taken care of the physical labor that goes into getting out a paper for the past three issues. They have been praised before for their excellent work. But once again, we will say: Thanks for all the help.

All of the work that has gone into this issue has been done by the junior commercial students and they will be all ready to take over again when they return as seniors this coming fall.

We would like to give special credit to: Beverly Roberts, Maggie Wright, Beverly Bowden, Nancy Simpson, Nettie Noble, June Malloch, Robert Hartford, Madeline Sinclair, Carol Oliver, Judy Hodgdon, Edith LaRochelle.

Those who have contributed articles to this issue are as follows:

Roland Melcher	Rosie McConnell	Sandra Foster
Jo Lary	Bob Roy	Carol Emmons
Judy Brown	Carol Libby	Mrs. Libbey
Mr. Schaare	Ann Googins	Bev Hall
Jimmy Pearson	Peggy D'Amico	Brother Gaspar
Donna Grant	Mr. Snipe	Miss Gordon
Miss Ferguson	Mr. Maxcy	

Rosie McConnell is to be congratulated for her excellent design for the iron cover of this issue.

While you are looking over your copy of this paper, it would be a good idea to put your thinking caps on and dream up ways of making it a better paper next year.

Your editor has done her best to make each issue better than the previous. But no matter how good your editor, he or she cannot do it without the help of the rest of the students.

Let's see what we can do about more write-ups for sports. And the girls should especially take this to heart. After all, you do have sports. Tell people about them.

This is the good-bye issue for this school year. The editor and all her helpers wish each of you a very happy and prosperous summer. See you all next fall.
